Please give details
.....

Fees: The standard DPFR membership fee is £15. This is reduced to £8 for students, unwaged and retired.

Waged £15

Unwaged £8

ENGLAND ATHLETICS - change of rules for 2016

Registration with EA is not essential for fell running unless you are a non-FRA member competing for the DPFR team in any championship race (in which case it would be more appropriate and better value for money to join the FRA). You may however wish to register for road running purposes. **DP members who also belong to road clubs or second fell clubs should read the info below carefully as there have been significant administrative changes.**

If DPFR is your First Claim fell club but your second club is also affiliated for fell running any EA fee required for roads/xc must be collected by DPFR on behalf of your other club, whether or not it has been previously paid through the other club. Your second club's designation will become "First Claim-Other". Club secretaries should be aware of this.

If your second club is not affiliated for fell running eg Hallamshire Harriers, they will remain your "First Claim" club and continue to collect your fee. DPFR is designated "First Claim-Other" in this case.

If Dark Peak is your Second Claim Fell club then your First Claim club will continue to pay EA registration if you require it.

If you need to pay for EA registration through DP please include the £13 (gone up again) fee with your membership fee. Minimal contact details are forwarded to EA EA fee included £13

Payment methods

Standing order to DPFR bank account HSBC 40-41-07 a/c no 52008246:

PLEASE SET THIS UP FOR JANUARY ONLY AND REMEMBER TO IDENTIFY IT WITH YOUR NAME

Bank transfer to above account
